Prob12C

Supporting Evidence: Kenneth Robinson is considered to be in violation of his period of supervised release by failing to enter inpatient drug treatment on November 9, 2015.

The defendant requested to enter an inpatient drug treatment facility in Seattle to address his addictions. The defendant had contacted the facility and obtained information on what was expected of him to enter. The defendant originally agreed to enter treatment on November 2, 2015, and signed a release of information to allow confirmation that he had entered treatment. The defendant needed to complete 3 days at a detox facility and then enter the program. The defendant left the detox facility after 1 day and stated he would report to the inpatient treatment facility on November 9, 2015, after "detoxing at home."

On November 9, 2015, the defendant did not report for his inpatient drug treatment as agreed upon.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: November 12, 2015
